

# Zitzi Sharky

Seatsystem for youth & adults

*A Zitzi Sharky will allow the user to develop further, learn new things, and therefore concentrate on what they can do instead of what they cannot do.*

When you need a seating system that

- Has superior adjustment options
- "Grows with the user"
- Suitable for teenagers and adults.
- Suitable for clients with low tone and/or spasticity
- Enables functional movements
- Effectively counteracts incorrect posture
- Aesthetically pleasing – "you see the person and not the product".
- Easily adjustable
