

# Zitzi Carseat

*Allow the child to travel comfortably and safely whilst enjoying the car journey*

When you need a carseat that

- "Grows with the user"
- Is suitable for young people and adults up to 170 cm
- Is suitable for users with fluctuating muscle tone
- Effectively counteracts spasticity
- Enables functional movements
- Aesthetically pleasing "you see the person and not the product"
- Must be placed facing forwards on both the front and back seat
- Easily adjustable
- Approved according to EU standard ECE R44.3.
- Has been crash-tested at VTI Sweden
- Also meets requirements for crash-tests up to 75 kg user weight
